| <b>Vision effective date:</b>               | <b>Vision end date:</b>            |

If your UPMC Health Plan coverage is still active, your benefits include preventive, routine, diagnostic, and emergency care.

**Nonemergency care**

To keep your health care costs as low as possible, you should follow the guidelines for the network in which you are enrolled.

- If you are enrolled in a health maintenance organization (HMO) or exclusive provider organization (EPO) plan, you must seek nonemergency care from in-network providers. Your care will not be covered if you visit other providers.
- If you are enrolled in a preferred provider organization (PPO) plan, you can receive nonemergency care from an out-of-network provider, but you will be responsible for higher out-of-pocket costs.

Refer to your Schedule of Benefits and other member materials for more information.<sup>1</sup>

### **Dependent student eligibility**

- The nonemergency care restrictions outlined above do not apply to dependent students.
- Dependent students have access to care through the networks with which we have contracts: the SuperMed PPO Network in Ohio and the Cigna PPO Network outside of our service area and Ohio. Dependents will receive the highest level of benefits when they use participating providers in these networks.
- Coverage at student health centers does not apply to all plans. Please check your plan documents for more information.

### **Emergency care while traveling (medical plans only)**

Emergency care you receive while you are traveling will be covered at the highest benefit level according to the terms of your plan documents, regardless of whether the facility you visit participates with UPMC Health Plan. Your benefits also include Assist America global emergency assistance services when you are traveling more than 100 miles from home—including to another country.<sup>2</sup>

*This coverage satisfies J1 visa requirements, including expenses associated with the medical evacuation of an exchange visitor to his or her home country, in the amount of \$50,000.*

### **Save time by viewing your benefits online!**

You can find the most up-to-date information about your plan on UPMC Health Plan member site. Sign in to view your plan documents, provider directory, prescription drug formulary, and more.

### **Access our online and digital tools**

You can use your UPMC Health Plan Login to sign in to both UPMC Health Plan member site and the UPMC Health Plan app! If you're a first-time user, creating a UPMC Health Plan Login is fast, easy, and secure.

1. Go to **[upmchealthplan.com/members](https://upmchealthplan.com/members)** or download the UPMC Health Plan app to your device.
2. Click Register.
3. Follow the prompts to create your Login.

### **Questions?**

Call the UPMC Health Plan Health Care Concierge team at the number on your member ID card.

<sup>1</sup>This is not a confirmation that your claim(s) for benefits will be paid by UPMC Health Plan. All claims for benefits are subject to eligibility and the nature of the claim.

<sup>2</sup>Assist America is not travel or medical insurance, and its services do not replace health coverage while you are away from home. All services must be arranged and provided by Assist America. Bills for any medical costs you incur should be submitted to UPMC Health Plan. They will be subject to the policy limits of your health coverage.

<sup>3</sup>For members of ASO/self-funded employer plans that have opted out of 100-percent coverage, standard cost sharing under the plan will apply. If you have any questions about your coverage, see your plan documents.

<sup>4</sup>UPMC Health Plan members located in Pennsylvania at the time of a virtual visit may select a UPMC-employed provider or a provider from Online Care Network II PC (OCN), subject to availability and discretion of the provider. Members located outside of Pennsylvania will receive

service from OCN. OCN is not an affiliate of UPMC. Limitations may apply for members of ASO plans that have opted out of coverage.

<sup>5</sup>For members of ASO/self-funded employer plans that have opted out of 100-percent coverage, standard cost sharing under the plan will apply. While almost all of our individual and group plans include extensive telehealth benefits, some ASO/self-funded employer plans do not cover telehealth services. For members in qualified high-deductible health plans, certain IRS limits may apply. If you have any questions about your coverage, see your plan documents.
